

CPPUNIT\_NS::TestFixture

```
graph BT; VariableTestClass --> CPPUNIT_NS::TestFixture
```

A UML class diagram showing an inheritance relationship. A box labeled 'VariableTestClass' is at the bottom, and a box labeled 'CPPUNIT\_NS::TestFixture' is at the top. A blue arrow points from the top of 'VariableTestClass' to the bottom of 'CPPUNIT\_NS::TestFixture', indicating that 'VariableTestClass' inherits from 'CPPUNIT\_NS::TestFixture'.
