

awkccc::SymbolTable

```
classDiagram
    class SymbolTableImpl
    class awkccc_SymbolTable["awkccc::SymbolTable"]
    SymbolTableImpl --|> awkccc_SymbolTable
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'SymbolTableImpl'. A blue arrow points upwards from this box to a gray box at the top labeled 'awkccc::SymbolTable'. This indicates that 'SymbolTableImpl' is a subclass or implementation of 'awkccc::SymbolTable'.
